Let your light shine!

The Nethersole Church of England Academy and Nursery has a Christian foundation that inspires our life and work. Following the teaching of Jesus, we accept the challenge:

'to be light [living in our community and reaching out beyond it], bringing out the God-colours in the world.' Matthew 5:16

At the heart of our school is the belief that everyone is a child of God. Our work therefore, is to nurture and love every individual, child and adult, to find and develop their gifts, overcome barriers and enable them to grow in confidence and *to let their light shine as the very best God version of themselves.*

Effective teaching and learning underpins this.

We believe that there is a space for everyone to shine brightly and differently and that this adds to the richness of our school family, our community and the wider world.

Our Christian vision for everyone to be unique shining lights in God's world is illuminated by our biblically based Christian values that we learn to radiate in our daily lives - in our attitudes, relationships, behaviour, choices and decisions: - ***wisdom, forgiveness, hope, community, respect and dignity, thankfulness.***

- [The Management of Health and Safety at Work Regulations 1992](#), which require employers to make an assessment of the risks to the health and safety of their employees
- [The Management of Health and Safety at Work Regulations 1999](#), which require employers to carry out risk assessments, make arrangements to implement necessary measures, and arrange for appropriate information and training
- [The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations \(RIDDOR\) 2013](#), which state that some accidents must be reported to the Health and Safety Executive (HSE), and set out the timeframe for this and how long records of such accidents must be kept
- [Social Security \(Claims and Payments\) Regulations 1979](#), which set out rules on the retention of accident records
- [The Education \(Independent School Standards\) Regulations 2014](#), which require that suitable space is provided to cater for the medical and therapy needs of pupils
