

The Nethersole CofE Academy

PE and Sports Premium Funding Expenditure Strategy 2023 to 2024

Vision and Values

The Nethersole Church of England Academy and Nursery has a Christian foundation that inspires its life and work. Following the teaching of Jesus, we accept the challenge: *'to be light [living in our community and reaching out beyond it], bringing out the God-colours in the world.'* **Matthew 5:16**

At the heart of our school is the belief that everyone is a child of God, fearfully and wonderfully made in his image. Our work therefore is to nurture and love every individual, children and adults, to find and develop their gifts, overcoming barriers and growing in confidence to flourish - to let their light shine as the very best God version of themselves.

Effective teaching and learning underpin this. We wish to inspire everyone to take responsibility for creation, civilisation and the well-being of each other, embracing and treasuring our differences.

Our Christ led vision is for a world of justice, respect, and love, and of people who are not afraid to love and sacrifice themselves for others. Our inspiration is Jesus, who loves us in sacrifice, forgives us and reminds us that we each have something special to do to bring out the God colours of the world. We believe that there is a space for everyone to shine brightly and differently and that this adds to the richness of our school family, our community, and the wider world.

Our Christian vision for everyone to be unique and collective shining lights in God's world is illuminated by our biblically based Christian values that we learn to radiate in our daily lives - in our attitudes, relationships, behaviour choices and decisions.

Our School Values

Hope – Hope in God, Hope in ourselves, Hope in others, Hope in the world.

Community – The Community of God, Our Community, the School Community, the World as Community. Enabling everyone to flourish together.

Respect and Dignity – Respect of God, Respect of Ourselves, Respect of Others, Respect of the World. Everyone matters; everyone is loved; everyone shines.

Forgiveness – Forgiveness by God, Forgiveness for Ourselves, Forgiveness of Others, Forgiveness in the World. A chance to start again.

Wisdom – The Wisdom of God, Our Wisdom, the Wisdom of Others, Wisdom of the World. Knowledge, skills, understanding, doing the right thing.

Thankfulness – Thankful for God, Thankful for Ourselves, Thankful for Others, Thankful for the World. Appreciating God's goodness.

PE and Sports Premium Funding -

Schools **must** use the PE and Sports Premium for the Academic Year 2023 to 2024 to:

- build capacity and capability within the school and **ensure** that improvements to the quality of PE, sport and physical activity provision made now are sustainable and will benefit pupils joining the school in future years to come.
- develop or add to the PE, sport and physical activity that the school provides currently.

For example – by funding high-quality PE and Sport for at least 2 hours a week, complemented by a wide range of extracurricular sport and competitive opportunities and providing or improving equal access to sport for boys and girls.

Purpose of PE and Sports Premium Funding –

The underlying vision of the PE and Sports Premium Funding is to ensure that ALL pupils leaving primary school (aged 11) are PHYSICALLY LITERATE and have the KNOWLEDGE, SKILLS and MOTIVATION necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

The intention is to achieve self-sustaining improvement in the quality of PE and Sport in Primary Schools. Therefore, the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

The Nethersole CofE Academy will prioritise the expenditure of PE and Sports Premium Funding to improve in the following 5 key areas:

1. To increase staff confidence, knowledge and skills in teaching PE and Sport.
2. To increase engagement of all pupils in regular physical activity and sport.
3. To raise the profile of PE and Sport across the school, to support whole school improvement.
4. To offer a broader and more equal experience of a range of sports and physical activities to all pupils.
5. To increase participation in competitive sport.

Sport and Physical Education at The Nethersole CE Academy

At The Nethersole CE Academy, we believe that physical activity not only improves health, reduces stress and improves concentration, but also promotes correct physical growth and development. Exercise has a positive influence on academic achievement, emotional stability and interaction with others. We aim for both teachers and children to be aware of its importance. We strive to provide a broad and balanced programme of physical education we believe every child should have; with activities designed to be enjoyable, vigorous, purposeful and regular. Through providing positive experiences, a lifelong interest in physical activity is encouraged. We value the importance of a varied curriculum experience. Our aim is to increase participation in physical activity outside of the two hours offered as part of the curriculum. To achieve this vision, we strive to offer varied opportunities for engagement in physical activity at lunchtimes and after school which are tailored to the children's interests.

Areas for further improvement and baseline evidence of need from 2023 - 2024:

- Ensure that provision at lunchtime is fun, safe and encourages structured play. A planned programme of activities available to all children across the school and throughout the year.
- Continue to enhance the opportunities for our less active and other targeted groups.
- Continue to enable every year group to have the expertise of a sports coach and in addition, continue to develop the skills and knowledge of our teachers in PE teaching and learning.
- Purchase of key resources required for inter-school sports competition (kit, nets, gazebo etc) and to enable / enhance lunchtime provision on the playgrounds.

Meeting national curriculum requirements for swimming and water safety	July 2024
Percentage of Year 6 pupils who could swim competently, confidently and proficiently over a distance of at least 25 metres when they left primary school at the end of last academic year?	
Percentage of Year 6 pupils who could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No.
