Notice of Consultation on: Proposed SEND resourced provision opening from September 2025

The Nethersole CofE Academy Primary School, High Street, Polesworth, Warwickshire B78 1DZ
Notice of Public Consultation on 'Adding a SEND resourced provision from September 2025'

In accordance with the School Admissions Code 2021, The Nethersole CofE Academy Primary School is required to consult on its admission arrangements at least every seven years or where changes to the arrangements are proposed.

Our proposed Admissions Policy for the academic year 2025-26, is attached and is available to view on our website www.nethersole.bdmatrix.org.uk. A copy is also available from the school office.

Please note that the proposed change to the Admission Arrangements is:

to open a SEND resourced provision with Warwickshire LA, where our Published Admission Number (PAN) will change from 210 mainstream pupils to 218. Admissions to the SEND resourced provision will be for children who have an EHCP with Communication and Interaction needs and allocated via Warwickshire County Council High Needs Provision Panel.

The reasons for this proposal are as follows:

- Nethersole has been approached by Warwickshire LA to open a SEND resourced provision.
- This change will add additional resource to support children with SEND.
- This will provide places for children with additional needs in the North Warwickshire area.

Comments are welcome on any aspect of our admission arrangements or addition of our SEND resourced provision and can be sent via email to Lindsey Harper at Lindsey.Harper@entrustclerk.com or directly to the School/Academy in a sealed envelope marked Consultation on Admission Arrangements, for the attention of Lindsey Harper, Clerk to the Local Academy Board.

This consultation process will commence on Monday 24th February 2025 and conclude on Friday 21st March 2025. Once the consultation has closed, comments and feedback will be considered by the Governors.

Yours sincerely

Mrs Samantha Goode
Headteacher

Mrs Lindsey Harper
