

The Nethersole C of E Academy

Proposed Admissions Policy

Academic Year 2026 to 2027

Date Policy Ratified by the LAB	July 2025
Headteacher	Mrs S J Goode
Chair of Governors	Mrs G Sparrow
Review Date	July 2026

The Nethersole CofE Primary Academy is run by the Birmingham Diocesan Multi-Academy Trust ('BDMAT'). The board of directors of BDMAT are the Trust's admissions body but the day-to-day administration of school admissions is delegated to our headteachers and local academy boards. The board of directors sets a standard policy for our schools to use (this policy) but the individual criteria for over subscriptions are established by the local academy board. Proposed changes to a school's over subscription criteria or amendments to this policy need approval from the BDMAT board of directors.

Our admissions process is part of the Local Authority co-ordinated scheme. Applicants must apply to their home Local Authority by the closing date.

The school's admission number is **30**. Where the number of applications is lower than the school's admission number, all applicants will be admitted.

Oversubscription criteria

If the number of applications for a particular year group exceeds the number of places available, each application will be given a priority and places will be allocated in the following order:

Priority 1

Children looked after by a Local Authority (in accordance with section 22 of the Children Act 1989) and children who were previously looked after but ceased to be so because they were adopted or became subject to a child arrangements or special guardianship order. This includes those children who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted

Priority 2

Children living inside the priority area who will have a brother or sister at the school at the time of admission. (The Nethersole C of E Academy priority area can be located at <http://www.warwickshire.gov.uk/mapjuniorprimaryschools>)

Priority 3

Other children living inside the priority area.

Priority 4

Children living outside the priority area who will have a brother or sister at the school at the time of admission.

Priority 5

Other children living outside the priority area

Notes:

1. Children with an EHC Plan that names *The Nethersole Church of England Academy* will be offered a place first. This may reduce the number of places available.
2. Under priority **2 and 4**, a brother or sister must live at the same address and could be:
 - A brother or sister sharing the same parents;
 - A half-brother or sister, where two children share one parent; a stepbrother or stepsister, where two children are related by a parent's marriage or civil partnership (a formal arrangement that gives same-sex couples the same legal status as married couples);
 - The separate children of a couple who live together; or
 - An adopted or fostered brother or sister.
3. For the purposes of education law, the Department for Education considers a 'parent' to include:
 - all biological parents, whether they are married or not;
 - any person who, although not a biological parent, has parental responsibility for a child or young person - this could be an adoptive parent, a step-parent, guardian or other relative;
 - any person who, although not a biological parent and not having parental responsibility, has care of a child or young person. A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their biological or legal relationship is with the child.
4. A child's home address is the place where the child is permanently resident with his or her Parent(s). When a child lives between two addresses, the address used for offering a school place will be where the child lives for most of the school week (Monday to Friday). If care is split equally, the parents can choose which address will be used. [In the event of a dispute between parents who each have parental responsibility, the matter may ultimately need to be resolved by the courts.]

5. If offering places within any one of the criteria would cause the school's admission number to be exceeded, then children living nearest will be offered first. The distance will be calculated by the Local Authority using a straight-line measurement from the address point location coordinate of the applicant's home address (as set by Ordnance Survey) to the centre point ('centroid') of the school in question. (The centroid is a predetermined point set by Warwickshire County Council and all distances are subject to changes which may occur with updates of mapping data). If two or more applicants share the same distance to a school and only one place is available, the applicant to whom the place will be offered will be determined by the Local Authority by random selection (unless this involves multiple births, in which case, all the siblings will be admitted).
6. Applications received after the Local Authority's designated closing date for receipt of applications will be deemed to have been made late and will be considered after applications with the same priority that were received on time.
7. **Waiting lists** are produced in strict order of priority, against the over-subscription criteria. Waiting lists are kept until the end of the autumn term in the year of admission.
8. Applications made outside the normal admissions round (for in-year admissions) should be made directly to the Local Authority. The process can be found here: <https://www.warwickshire.gov.uk/moving-schools-within-school-year>
9. Appeals: Parents who wish to appeal against a decision to refuse their child a place in the school may apply in writing to the Local Authority for a hearing. Appeals will be heard by an independent panel. The Warwickshire County Council appeal process can be found here: <http://www.warwickshire.gov.uk/schoolappeals>
10. Fair Access Protocol: The Local Academy Board recognises its duty to participate in the Local Authority Fair Access Protocol.
11. **Admission of children below compulsory school age and deferred entry:**
 - 11.1 A child is entitled to a full-time place at school in the September following their fourth birthday. The child's parents can defer the date their child is admitted to the school until later in the school year, but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which application was made.
 - 11.2 Where parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.
 - 11.3 Compulsory school age is the prescribed day on or following the child's fifth birthday. The prescribed days are 31 December, 31 March and 31 August; eg: A child born

between 01 September and 31 December must be in compulsory education by 31st December. A child born between 01 January and 31 March must be in compulsory education by 31 March. A child born between 01 April and 31 August must be in compulsory education by the beginning of the final term of the school year (unless the provisions relating to summer-born children below are applied).

12. Admission of children outside their normal age group

12.1 Parents may seek a place for a child outside of their normal age group in special circumstances, for instance if the child is gifted and talented or has experienced problems such as ill health. Such applications should be made in writing to the Chair of the Local Academy Board of the school, via the school office, setting out the reasons for the request. A decision will be made on the basis of the circumstances of each case and in the best interests of the child concerned.

12.2 Summer-born Children (those born between 01 April and 31 August)

12.2.1 Parents of a summer born child may choose not to send their child to school until the September following the child's fifth birthday, when they will apply for the child to enter Year 1. There is no guarantee that a place will be available at the school at this stage, as the year group may well already be full.

12.2.2 Parents of a summer born child may, at the same time as making an application to the Local Authority for a Reception place in the child's normal age group, make a request to the school's Local Academy Board that the child may **reapply** the following year to be admitted to the Reception class in the September following the child's 5th birthday instead. The request should be made in writing to the Chair of the Local Academy Board of the school, via the school office, setting out the reasons for the request. The Local Academy Board will make its decision on the basis of the individual circumstances of each case and in the best interests of the child concerned and will set out clearly the reasons for the decision.

If the Local Academy Board agrees to the parent's request, the existing application for the Reception place may be withdrawn and the parent must then make a **new** application for a place in Reception as part of the main admissions round the following year which will be considered against the normal oversubscription criteria, (and there is no guarantee of a place being offered at this school at that stage).

If the Local Academy Board does not agree to the parent's request, the parent must decide whether to accept any offer of a place for Reception for the normal age group, or to refuse it and make an in-year application for admission to Year 1 for the September following the child's fifth birthday (when, again, there is no guarantee of a place being available at this school).

- 12.3 A decision made by one admission authority in respect of admission of a child out of their normal age group is not binding on any other admission authority. Therefore, a child educated out of their normal age group at this school may not be accepted out of their normal age group when moving to a different school or from primary to secondary school.
- 12.4 Parents' statutory right of appeal against a decision to refuse admission does not apply if the child is offered a place at the school but it is not in the parent's preferred age group.

If parents are considering submitting an application for their child to be admitted into a class outside of their normal age group, it is strongly recommended that they read the DFE guidance to be found at:

Specialist Resource Provision (SRP) Admissions

SRP Published Admission Number (PAN): 8

The Nethersole C of E Academy hosts a Specialist Resource Provision (SRP) for pupils with Education, Health and Care Plans (EHCPs) whose needs have been assessed as requiring specialist provision within a mainstream primary school environment.

The Published Admission Number (PAN) for the SRP is 8 places, and these form a separate, ring-fenced capacity that sits outside the school's mainstream PAN.

Admission to the SRP does not form part of the school's general admissions arrangements and is not processed through the normal admissions round. Parents cannot apply directly to the school for a place in the SRP.

Placements are not made through the normal admission procedure and parents cannot apply directly to the school for a place in the SRP.

Local Authority Decision-Making

All admissions to the SRP are managed exclusively by Warwickshire County Council through its High Needs Panel. Placement decisions are made in line with:

- The child's Education, Health and Care Plan (EHCP)
- Local Authority sufficiency and placement processes for specialist provision
- Statutory SEND guidance requiring LAs to determine specialist placements based on assessed need
- National guidance emphasising the need for transparent eligibility criteria and LA-led admissions for specialist resource provisions

Warwickshire County Council is responsible for consulting the school, identifying whether the SRP is a suitable placement, and issuing a final amended EHCP naming the SRP where appropriate.

Eligibility

To be considered for placement within the SRP:

- A child must have an **Education, Health and Care Plan (EHCP)**.
- The EHCP must identify needs that align with the SRP's specialism: **Communication and Language Needs (Autism)**
- The Local Authority must determine that the SRP is the most appropriate and suitable provision.

Applications

Parents who wish their child to be considered for the SRP must do so **through Warwickshire County Council's SEND Team** as part of the EHCP statutory process.

The school cannot accept direct requests or applications. Consultations are sent to the school via the Local Authority.

Transport

Transport, where eligible, is arranged in accordance with **Warwickshire County Council's Home to School Transport Policy**.
